Reference: 30 Day Post-General Report (10/19/00-11/27/00)

Dear Ms. Brown:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report (pertinent portion(s) attached) discloses a contribution(s) from an organization(s) which is not a political committee registered with the Commission. In order for your committee to accept contributions from unregistered organizations into accounts used to influence federal elections, your committee should take steps to insure that the contributor(s) used permissible funds to make the contribution(s) to avoid violating 2 U.S.C. §§441a(f) and 441b or 11 CFR §102.5(b). Under 11 CFR §102.5(b), organizations which are not political committees under the Act and choose to contribute to federal committees must either: 1) establish a separate account which contains only those funds permitted under the Act, or 2) demonstrate through a reasonable accounting method that the organization has received sufficient funds subject to the limitations and prohibitions in order to make the contribution.

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. In addition, please clarify whether the contribution(s) received from the referenced organization(s) is permissible. To the extent that your committee has received impermissible funds, the Commission recommends

OHIO STATE REPUBLIC PARTY

PAGE 2

that you transfer the impermissible funds to an account not used to influence federal elections or refund the impermissible amount(s) to the donor(s) in accordance with 11 CFR §103.3(b). In order to protect the donor's interests, the Commission recommends that you inform the contributor(s) in writing to provide the donor(s) with the option of receiving a refund or granting written authorization for a transfer to another account.

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for the transfer-out or refund. Should you choose to transfer-out or refund the contribution(s), the Commission will presume the funds were impermissible if no statement from your committee provides information to the contrary. Transfers-out and refunds should be disclosed on a Schedule B supporting Line 22 or 28 of the report covering the period during which the transaction was made.

Although the Commission may take further legal action concerning the acceptance of prohibited contributions, prompt action by your committee in transferring-out or refunding the amounts will be taken into consideration.

-Schedule A of your report discloses a contribution(s) from an organization which is not a political committee registered with the Commission (pertinent portion(s) attached). In addition, the contribution appears to exceed the limits set forth in the Act. 2 U.S.C. §441a(f) precludes a political committee from receiving contributions from a person or another committee in excess of \$5,000 in a calendar year. Also, in order to make contributions to your committee, organizations which are not political committees must either: 1) establish a separate account which contains only those funds permitted under the Act, or 2) demonstrate through a reasonable accounting method that the organization has received sufficient funds subject to the limitations and prohibitions in order to make the contribution. 11 CFR §102.5(b)

If your committee does not finance non-federal activity, the receipt of the referenced contribution(s) may violate the limitations and prohibitions of 2 U.S.C. §§441a(f) and 441b. If your committee engages in both federal and non-federal activity, either through a separate non-federal account, or one account that finances activity in connection with both federal and non-federal elections, your committee may be in violation of 11 CFR §102.5(a).

OHIO STATE REPUBLIC PARTY

PAGE 3

In order to be in compliance with the Act, your committee must: 1) refund to the donor, or transfer-out to a non-federal account, the amount in excess of \$5,000 and 2) determine the extent to which your committee received funds that are not permissible, and refund or transfer-out the prohibited funds.

If you choose to transfer the funds to an account not used to influence federal elections, the Commission advises that you inform the contributor in writing and provide the contributor with the option of receiving a refund. You may wish to seek a written authorization (either before or after the transfer-out) from the donor for any transfer-out to protect the donor's interests.

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for the transfer-out or refund. Should you choose to transfer-out or refund the funds, the Commission will presume the funds were impermissible, absent a statement from your committee to the contrary. Transfers-out and refunds should be disclosed on a Schedule B supporting Line 22 or 28 of the report covering the period during which they are made.

Although the Commission may take further legal action concerning the acceptance of prohibited and excessive contribution(s), your prompt refund or transfer-out will be taken into consideration.

-A review of the reports filed by your committee (pertinent portion(s) attached) indicates that your committee received a transfer(s) from the Republican National Committee which has not been disclosed on their report(s) of receipts and disbursements. Please provide clarifying information regarding the source of the transfer(s) received by your committee.

-Schedule A of your report (pertinent portion(s) attached) discloses a contribution(s) which appears to exceed the limits set forth in the Act. 2 U.S.C. §441a(f) and 11 CFR §110.1(d) preclude a committee and its affiliates from receiving contributions from another political committee or person in excess of \$5,000 per calendar year. In addition, a loan is included in the definition of a contribution under 2 U.S.C. §431(8)(A) and 11 CFR §100.7 (a)(1)(i).

OHIO STATE REPUBLIC PARTY

PAGE 4

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with the clarifying information. If the contribution(s) you received exceeded the limits, you must seek reattribution of the contribution pursuant to 11 CFR §110.1(k), transfer-out the amount in excess of \$5,000 to an account not used to influence federal elections or refund the excessive amount to the donor(s) in accordance with 11 CFR §103.3(b). In the best interest of your committee, all reattributions, transfers-out, and refunds should be made within sixty days of the treasurer's receipt of the contribution(s). In order to protect the donor's interests, the Commission recommends that you inform the contributor(s) in writing to provide the donor(s) with the option of granting written authorization for a reattribution or transfer-out to another account or receiving a refund.

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for the transfer-out or refund. In addition, any reattributions should be reported as memo entries on Schedule A of the report covering the period during which the authorization for the reattribution is received. Any transfers-out or refunds should be disclosed on Schedule B supporting Line 22 or 28 of the report during which the transaction was made.

Although the Commission may take further legal action regarding the acceptance of an excessive contribution(s), prompt action by your committee to seek reattribution, transfer-out or refund the excessive amount will be taken into consideration.

Schedule A supporting Line 12 discloses a transfer(s)-in from the Republican National Committee. Schedule B supporting Line 21(b) reflects payments for exempt activities. Please be advised that a state or local party committee may pay for campaign materials (such as bumper stickers) that are distributed by volunteers in connection with activity on behalf of the party's nominees in a general election. Payments for this type of activity are exempt from the definition of a contribution or expenditure if certain conditions are met. The conditions are that no public advertising may be used, including distribution by direct mail (mailings by a commercial vendor or from commercial lists); all funds used for the activity must be permitted under the Act; none of the funds used may have been designated for a particular candidate; and finally, payments for the activity may not be

OHIO STATE REPUBLIC PARTY

PAGE 5

made from transfers-in from the national committee to specifically fund the activity. For further guidance, please refer to 11 CFR §100.7(b)(15) and (17) and to the Campaign Guide for Party Committees.

Please clarify the nature of the transfer(s)-in and subsequent payments for the aforementioned disbursement(s). If the activity disclosed on your report does not meet the definition of "exempt" activity as described above and if any portion of the expenditures were made on behalf of specifically identified candidates, that amount must be disclosed on Schedule B or F supporting Line 23 or 25 of the Detailed Summary Page as appropriate.

-Your EVENT YEAR-TO-DATE calculations for Administrative/Voter Drive are incorrect. EVENT YEAR-TO-DATE totals for administrative and voter drive costs are derived by aggregating all disbursements during the calendar year for the whole Administrative/Voter Drive category. EVENT YEAR-TO-DATE totals for fundraising, direct candidate support, and exempt activities are derived by aggregating all disbursements during the calendar year within a specific event. These should be calculated by adding the latest disbursement for a category or event to the previous EVENT YEAR-TO-DATE total for that category or event. This running EVENT YEAR-TO-DATE total should be disclosed after each disbursement is listed. Please amend your report by providing the correct EVENT YEAR-TO-DATE totals.

-Payments made to credit card companies must identify the original vendors from which you have purchased an item or service if your payments to these vendors have exceeded \$200 this year. Please amend your report by providing the mailing address, date, amount and purpose of such payments as required by 11 CFR §104.9(b).

-The loan schedule (Schedule C) should disclose the following information: the name and mailing address of the person making or receiving the loan, original amount, cumulative payment, outstanding balance, date incurred, date due, and interest rate for all loans that your committee has received. Please amend Schedule C by providing the name and mailing address of the committee making the loan. 11 CFR §§104.3(d) and 104.11(a)

-Your report disclosed a category of financial activity that has been

OHIO STATE REPUBLIC PARTY  
PAGE 6

reflected on the wrong line of the Detailed Summary Page. Receipts from candidate committees should be properly disclosed on a separate Schedule A, supporting Line 11(c) of the Detailed Summary Page. Please refer to the instructions contained on the forms to determine the proper categorization when preparing your next filing.

5 U.S.C. §434(b)(3) requires itemization of contributions from individuals and persons other than political committees, where the aggregate total from the contributor exceeds \$200 in a calendar year. In addition, 11 CFR §104.3(a)(2)(i)(B) requires a committee to report the total amount of unitemized contributions (see Line 11(a)(ii) of the Detailed Summary Page). If a committee wishes to disclose contributions regardless of the amount contributed, the committee must separate (on separate receipt schedules) those contributors requiring itemization from those who are not required to be itemized. 11 CFR §104.3(a)(4)(i) For future filings, please submit your reports in this order.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.
